Character Committee

As you read *The Crucible*, you will focus on one character that you have been assigned: Reverend Parris, Reverend Hale, Elizabeth Proctor, John Proctor, Abigail Williams, or Mary Warren. Keep a record of information that answers the questions below in the chart you are given. When the class has completed the play, you and your group will do a presentation and a project about your character for the class. You will receive instructions on that presentation and project later. Remember, any conclusions about your character must be supported with textual references. You should include page numbers so that you can refer to them later as needed.
