### Events during Bradbury's Time

Your task is to look for important events in the early 1950's. You need to do the following.

1. Choose three from each year and list them. Try to choose events that you think might've possibly impacted Ray Bradbury as he wrote. Think about important moments from areas like politics, entertainment, medicine, and technology in addition to simple news making moments of each year.
2. After you have written down the event, you should write the potential connection to the novel that you see.
3. Make sure to write down bibliography information on the site you find the information from.
